## Picnics

For options 2 and 3, we provide picnics to your taste. Upon booking we forward you a picnic menu for you to circulate around your group. We then provide each person with their individual food choices.

Picnics are served in a 'COVID SAFE' manner, with food items individually wrapped and labelled for each person in your party.

All food is homemade and of top quality.

Please note we do cater for all dietary requirements. We ask you to declare dietary needs/allergies on the picnic menu forms, so we are aware well in advance.

**Picnic includes** - Choice of sandwich roll OR salad box, with a selection of fillings. Choice of savoury pastries, fruit and cake. We also provide crisps for every person within your picnic.

**Drinks** - (ordered at the time). A variety of cold still or fizzy drinks and a choice of hot drinks to complete your picnic.

**Prosecco** - If you would like to include prosecco, we ask you to provide your own, along with disposable flutes. However, if this is awkward for you, we can purchase it on your behalf providing you pay for it (at cost) upon booking. Whatever you decide we can keep prosecco chilled until you require it.

**Start times** - For options 1, 2, & 4, you can book either morning or afternoon dependant on the date, time of year and our availability. Option 3 is always a morning start.

## **Party Extra's**

We can put bow ties on the llamas and alpacas for a little photo fun, there is no charge for this, but please do ask on booking, not every Hen Party wants this, so we don't do it automatically.

**Sashes** for humans - can be hired for the trek at £2 each.

We offer a lovely llama '**Bride to be 'Gift Bag'** at £30, which includes some keep sakes for the bride including a keyring of the llama they trekked with, plus a '**Hen Party Guest Book'**, which is perfect for everyone to write messages in & sign!

You can purchase a Hen Party Guest Book separately for £8 includes pen, please let us know should you like one on booking.

Or why not '**adopt the llama or alpaca'** the bride to be treks with, as a little extra surprise gift! All adoptions arranged for Brides receive 10% off when purchased on booking.

## Useful Information

**Booking** – Once you have agreed a date and time with us, we require a 50% non-refundable deposit to secure your booking. By paying your deposit you are agreeing to our [Terms & Conditions](#) so please refer to these prior to booking. Please contact us should you have any questions or queries over them. If you are unsure of final numbers, we suggest you book for the minimum number of llamas, then at least you have secured the date and time. We will then require final numbers & any remaining deposit, 4 weeks prior to trek, final numbers then determine the final balance which is payable 7 days prior to the booking date. No refunds are given if the numbers on the day are less than your final numbers. Confirmation of your booking will be e-mailed to you both on receipt of your deposit and a final e-mail on receipt of the balance.

**Directions** – Once you have booked your Hen Party we will send you a pdf with directions. It is important that the directions are circulated around all drivers so that everybody finds us ok ready for your start time. Sometimes SAT NAV's can take you to the wrong part of the farm.

We have to stick to start times due to our daily schedule.

Late arrivals may miss out on the introduction and the trek!

**Clothing** – Everyone should dress sensibly and casually as if for a country walk. Trousers are recommended even in the Summer months as some of the tracks can be over grown in places. Good strong walking footwear is essential. We can't allow anyone to trek in open toed shoes or sandals, flip flops, plimsolls, or fashion boots. Walking boots, wellingtons or strong trainers are fine, be prepared for some mud! We do keep some wellingtons for hire at £2 per pair. We sell socks at £1 per pair or bring your own!

**Pregnant Ladies** – There are no restriction of pregnant ladies llama trekking, providing they are efficient with their hand washing and are physically able to walk the distance of the trek chosen. It is entirely at the discretion of the pregnant lady to whether she feels able to trek and happy to engage on the experience. We do however recommend all pregnant ladies share a llama as opposed to have their own as some elements of the trekking environment are over slightly hazardous terrain.

**Please notify us if you have pregnant ladies in your group so we can ensure they are given the appropriate llamas (we have llamas that are perfect for pregnant ladies)!!**

**Babies and Children** - We regret no babies or children are allowed to accompany treks and children under the age of 7 years old are not permitted on the farm. We can not therefore allow ladies to allow their partners to meet with them on the farm with babies etc. There are also age restrictions on our trek options, therefore if you have children within your group please contact us to discuss if it is feasible for them to join you.

## Finally!

We are flexible and want your day to be extra special, therefore please don't hesitate to contact us to discuss any of the above in more detail, or if you need to ask questions about anything, (no matter how silly they seem!) please call or drop us an e-mail. We are here to help!
