**£55 each**  
Session approx 2 hour 45 minutes.

See next page for details on picnics, start times, themes & useful information!

## Picnics -

For options 2 and 4, we provide picnics to your taste. Upon booking we forward you a picnic menu for you to circulate around your group. We then provide each person with their individual food choices.

Picnics are served in a 'COVID SAFE' manner, with food items individually wrapped and labelled for each person in your party.

All food is homemade and of top Quality.

Please note we do cater for all dietary requirements. We ask you declare dietary needs / allergies on the menu forms, so we are aware well in advance.

**Picnic includes** – Choice of Sandwich roll OR salad box, with a selection of fillings. Choice of savoury pastries, fruit and cake. We also provide crisps for every person within your picnic.

**Drinks** – (ordered at the time). A variety of cold still or fizzy drinks and a choice of hot drinks to complete your picnic.

**Prosecco** - If you would like to include prosecco, we ask you to provide your own, along with disposable flutes. However, if this is awkward for you, we can purchase it on your behalf providing you pay for it (at cost) upon booking. Whatever you decide we can keep prosecco chilled until you require it.

**Start times** – options, 1, 2 and 4 can be either morning or afternoon starts, dependant on other treks on the day, also time of year. Option 3 is always a morning start.

**Please note where for groups over 12 people, we suggest you add on an additional 20mins to the session times as it can take longer to prepare everyone with their llamas or alpacas.**

## Party Extra's

We put bow ties on the llamas and alpacas as a bit of fun, there is no charge for this, but please do ask on booking, not every Party wants this so we don't do it automatically.

We offer a '**Mini Party Themed' Gift Bag**, at an additional charge which includes items from the shop.

Or why not '**Adopt the llama or alpaca**' as a little extra surprise gift!

All adoptions arranged for parties receive 10% off when purchased on booking.

## Useful Information

**Booking** – Once you have agreed a date and time with us, we require a 50% deposit to secure your booking. By paying your deposit you are agreeing to our [Terms & Conditions](#) so please refer to these prior to booking. Please contact us should you have any questions or queries over them. If you are unsure of final numbers, we suggest you book for the minimum number attending then at least you have secured the date and time.

We will then ask for final numbers & remaining deposit, 4 weeks prior to trek, final numbers then determine the final balance payable on the day. Confirmation of your booking will be e-mailed to you.

**Directions** – Once you have booked your Hen Party we will send you a pdf with directions. It is important that the directions are circulated around all drivers so that everybody finds us ok ready for your start time. Sometimes SAT NAV's can take you to the wrong part of the farm.

We have to stick to start times due to our daily schedule.

Late arrivals may miss out on the introduction and the trek!

**Clothing** – Everyone should dress sensibly and casually as if for a country walk. Trousers are recommended even in the summer months as some of the tracks can be overgrown. Good strong footwear is essential. We can't allow anyone to trek in open toed shoes or sandals, flip flops, plimsolls or fashion boots. Walking boots, wellingtons or strong trainers are fine, be prepared for some mud!

We do keep some spare wellingtons at hire these out at £2 pr pair. We sell socks at £1 pr pair or bring your own!

**Pregnant Ladies** – There are no restriction of pregnant ladies llama trekking, providing they are efficient with their hand washing and are physically able to walk the distance of the trek chosen. It is entirely at the discretion of the pregnant lady to whether she feels able to trek and happy to engage on the experience. We do however recommend all pregnant ladies share a llama as opposed to have their own as some elements of the trekking environment are over slightly hazardous terrain.

**Please notify us if you have pregnant ladies in your group so we can ensure they are given the appropriate llamas (we have llamas that are perfect for pregnant ladies)!!**

**Babies and Children** - We regret no babies or children are allowed to accompany treks and no babies or children under the age of 7 yrs are permitted on the farm. We can not therefore allow people to meet on the farm with babies etc. There are also age restrictions on our trek options, therefore if you have children within your group please contact us to discuss if it is feasible for them to join you.

## Finally!

We are flexible and want your day to be extra special, therefore please don't hesitate to contact us to discuss any of the above in more detail, or if you need to ask questions about anything, (no matter how silly they seem)! Please call or drop us an e-mail.

We are here to help!
